RE: Enthusiastic and Hard-Working Software Engineering Intern

Dear Recruiter,

As a driven, industrious, and emerging professional, I firmly believe that my contributions to the Software Engineering Winter Intern role will create a positive impact on RUBRIK's goals. I graduated from Ajay Kumar Garg Engineering College with a Bachelor of Technology in Information Technology and I believe my background has prepared me to bring continued success to your organization.

I am an aspiring leader and offer key strengths in teamwork, critical thinking and innovation. With a strong commitment to progress and goal-achievement, I am well-versed at streamlining processes, driving efficiency and encouraging team performance.

With an in-depth understanding of the requirements set forth for this role, I see that you are seeking a candidate with analytical skill, communicational and programming skills. I am eager to utilize my entrepreneurial-minded approach to support the creation of resourceful solutions with RUBRIK. With a passion for the organization's mission and values, I believe contributing to your team would be exceptionally rewarding.

Thank you for your time and consideration of my qualifications regarding the Software Engineering Intern opportunity. I will reach out to you within the upcoming week to inquire about the hiring process and next steps. If you would like additional information about my background and skills, please feel free to contact me.

My enclosed resume outlines further details of my greatest accomplishments. If you're interested in what you read, call me.

Sincerely,
